0 Bedroom, 0.00 Bathroom,
Residential on 0.29 Acres

N/A, Zeballos, BC

In Zeballos, on the west coast of Vancouver Island, this residential lot provides an opportunity for someone looking to move the west coast, or to establish a summer base on the coast. The Village of Zeballos is located approximately 14 nautical miles from the Pacific Ocean and one of the premier fishing regions on Vancouver Island. This property is in the heart of the Village, nestled at the foot of the mountains which surround this coastal village. It has BC Hydro electrical service as well as domestic water from the Village of Zeballos. A septic system would need to be installed for development of the property. The lot is 0.30 acres, with most of the usable space at the road as the back of the property rises up quite steeply to the mountain side behind. There is a quote and plan available for putting a septic system in place, appropriate approvals would be required. Mixed-use zoning allows a variety of uses on this lot.
