OFFERING restaurateurs or investors an opportunity to purchase an iconic restaurant and catering business on Gabriola Island. One of only two evening dining restaurants in the commercial core of the island, this well established restaurant has been, and continues to be the premier dine-in or take-out destination for the local population and tourists alike. Being fully licensed with a totally equipped kitchen that boasts a custom built wood fired pizza oven, the restaurant is well prepared to service its patrons inside or outside on it's newly modeled patio.
