Residential on 12.00 Acres

N/A, Lasqueti Island, BC

A remarkable home on a spectacular piece of land. This passion project has been extremely well thought through. The warmth and flow of the home mimic the quality of the built. A mix of composite and wood radiate a warmth and sense of calm on this homestead property.

There is pasture land in two separate areas, one with a pond as well as a large garden and a small orchard, all fully fenced in. With 12 acres, a road easement to the land, and backing on to Crown land, this is ready for a family to come live a sustainable life off the land.

Built in 2009
