7 Bedroom, 5.00 Bathroom, 6,061 sqft

Residential on 22.94 Acres

N/A, Salt Spring, BC

Welcome to this exceptional 22.94-acre equestrian ranch, offering a harmonious blend of pastoral charm and forested privacy in a highly desirable North Salt Spring location. This expansive property is perfectly suited for horse lovers, hobby farmers, or those looking to build a peaceful rural lifestyle.

The residence boasts an impressive scale spanning two levels. The upper level, originally built circa 1887 and once serving as a schoolhouse, was relocated and thoughtfully integrated into the property, preserving its heritage character. The lower level, constructed in 2005, mirrors the upper level's footprint and features three spacious bedrooms—each with its own ensuite. Heat pumps and a large west-facing deck have recently been added.

The property is well-suited for equestrian use with fenced pastures, multiple paddocks, and a modern barn. A rare offering combining history, function, and the natural beauty of Salt Spring Island.

Built in 2005
