N/A, Parksville, BC

Come home to a well maintained, beautifully located Parksville rancher. This property presents an excellent opportunity for the first time buyer looking to get into one of Canada's most stable housing markets - a place where your family can grow and play in a beautiful, sun drenched back yard that also has room for future outbuildings, garden, fruit trees, etc., and which is also close to all the amenities that you'll need in the way of schools, shopping and services. This cute, tidy home has the interior features of 3 bedrooms, a large living room (w/wood burning fireplace) that flows into the very bright and airy dining area and galley kitchen. A real bonus is the family room at the other end of the home - great for entertaining or rambunctious wee ones. Plus, you have an interior storage room that's great for all 'your stuff', or preserves from your garden. For the economy minded home owner, a 50 year roof was put on 5 years ago. Here is your chance to set down roots. Come and see!
