Dream family home with expansive ocean views! Imagine yourself waking up to the smell of fresh coffee. The morning sun shining through the south-facing windows. Grab a cup and head out onto your deck where you have crystal clear views of the mountains and pacific ocean. As you look down into your perfect garden below you feel at peace. On school days watch your children take the "secret path" right from your back yard to meet their friends in the park (it's your special path!). Or use it to walk just 5 minutes to the beach, restaurants and the drip coffee shop. With 2 levels, 6 Bedrooms, 2 Bathrooms and the perfect combination of character and tasteful updates this home is ideal for your family. My personal favourite features? The original white oak floors and gorgeous pocket doors with inlaid custom ornamental glasswork. It's everything you've ever dreamed of and at an amazing price. Perfect for your family!
